## STATE BAR COMPLAINT? FREE CONSULTATION

The Arizona Association of Defense Counsel (AADC) has established a program to provide a free initial consultation for attorneys facing disciplinary charges through the State Bar of Arizona. A panel of experienced attorneys has been created to provide this service. If you are interested in taking advantage of this service, please contact one of the AADC's program coordinators listed below. Upon receiving your request, the coordinator will contact a panel member to determine his or her availability. The coordinator will then put you in direct contact with the panel member to arrange for the initial consultation. Except as necessary to fulfill the assignment responsibilities, the program coordinator will maintain the confidentiality of disciplinary charges.
